CALIFORNIA High-Speed Rail Authority

Construction & Road Closure Alert

Issued on February 2, 2016

Street Closure at H Street
Alternative Routes Advised

FRESNO, Calif. – The California High-Speed Rail Authority (Authority), in coordination with design-build contractor, Tutor Perini/Zachry/Parsons (TPZP), announces a street closure expected to start Wednesday February 10, 2016.

The northbound lane on H Street will be closed as part of the demolition of the Tuolumne Street Bridge. This work is part of Construction Package 1 (CP 1), the first 29-mile stretch of high-speed rail between Avenue 17 in Madera County to East American Avenue in Fresno County.

Closure: The northbound lane on H Street will be closed to through traffic as part of the demolition of the Tuolumne Bridge.

The street closure is scheduled to begin Wednesday February 10, 2016 at 7:00 a.m.
The closure will be in effect for three weeks.

Detour: Motorists are requested to follow the street closure signage**.**

This schedule is subject to change. For up-to-date information please visit http://quickmap.dot.ca.gov or http://www.buildhsr.com/. Traffic laws will be fully enforced and commuters are expected to be aware of the surrounding activities, remain alert and watch for construction vehicles and personnel. The public is asked to drive carefully and be extra cautious while traveling though the construction areas. The Authority appreciates the patience and cooperation from visitors, residents and businesses during this work.
