

Strategic Alliance Memorandum

with the

United States Small Business Administration

and the

California High-Speed Rail Authority

I. PURPOSE

The United States Small Business Administration (SBA) and the **California High-Speed Rail Authority (Authority)** are joined by a common mission; **helping start, maintain, and expand small businesses**. The Parties will work together in the spirit of cooperation and open communications, consistent with law, with the primary goal of meeting the needs of the small business community.

The California High-Speed Rail Authority (Authority), is a non-profit, is an independent agency in the State of California established by Proposition 1A, is responsible for planning, designing, building and operation of the first high-speed rail system in the nation. By 2029, the system will run from San Francisco to the Los Angeles basin in under three hours at speeds capable of over 200 miles per hour. The system will eventually extend to Sacramento and San Diego, totaling 800 miles with up to 24 stations. In addition, the Authority is working with regional partners to implement a statewide rail modernization plan that will invest billions of dollars in local and regional rail lines to meet the state's 21st century transportation needs.

The mission of the SBA is to aid, counsel, assist and protect the interests of small business by providing financial, contractual and business development assistance and advocating on their behalf within the government. SBA district offices deliver SBA programs and services to the public. Each Party has separate services and resources which, when delivered in coordination with each other, will provide maximum benefits to the small business communities served.

The purpose of this Strategic Alliance Memorandum (SAM) is to develop and foster mutual understanding and a working relationship between the SBA and the **Authority** in order to strengthen and expand small business development in the local area. The Parties acknowledge that specific joint training and outreach activities contemplated under this SAM require further negotiations and a separate signed agreement developed pursuant to SBA's cosponsorship authority. Nothing in this SAM permits the **Authority** to use the SBA logo or seal. The "U.S. Small Business Administration" name shall be used only in a factual manner, consistent with applicable law, and shall not promote or endorse any products or services of any entity including but not limited to the **Authority**.
