

Resolution #HSRA 17-14

Acknowledgement of External Peer Review and Approval of Revisions to the Audit Charter

Whereas, the Audit Office of the California High-Speed Rail Authority performs independent evaluation and consultation services to Authority management and the Board;

Whereas, in compliance with the International Standards for the Professional Practice of Internal Auditing, it is desirable to communicate the results of its external peer review to the Board; and,

Whereas, it is desirable to document the purpose, authority, access, independence, responsibilities and accountabilities, and professional standards of the Audit Office.

Therefore, it is resolved:

The Board acknowledges the Peer Review Report and approves the revisions to the Audit Charter.
