¹ Statewide employee bargaining contracts are negotiated with the Administration on a periodic basis. Changes to these agreements impact the Authority's budget and updates to the budget are reflected subsequently at the appropriate reporting time. In some instances, forecast can exceed budget due to timing but will ultimately be trued up once DOF releases the additional funding.

² Program 1975 and 1985 are included in Program 1970 totals.

³ On January 10, 2018, the Governor released the proposed budget for FY2018-19 and the revised current year budget. In the revision, the Authority's current year budget changed from \$43.9M to \$45.4M, an increase of \$1.5M, to accommodate higher salaries and benefits.
