- Notes:**
- Asterisk (\*) after the vendor name denotes Purchase Orders.
  - The following contract types are not counted towards the Authority's Small Business Program: Federal Agency Contracts, State Agency Contracts, Local Government Contracts, and Third Party Contracts. An "NE" (Not-Eligible) in the Small Business Utilization column denotes all contracts and PO's that do not count towards the Authority's Small Business Program.
  - Vendors may appear several times due to contract amendments or multiple contracts.
  - Blue shaded rows identify one contract with subsequent amendments. The contract total amount appears in bold, below the last amendment.
  - Actual expenditures reflect processed and paid invoices. The encumbrance balance is reduced when payment has been completed.
  - Forecasted expenditures are subject to change based on the contract manager's assessment.
  - Encumbered amounts are for current year ending encumbrance balances.
  - As invoices are paid, contract "actual expenditures" will increase and the encumbrance balance will decrease proportionately.
  - This report includes data from the most recent invoices submitted to CHSRA, monthly or quarterly for active contracts.
  - The Authority has a small business utilization goal of 30%, per the Small and Disadvantaged Business Enterprise Policy from August-2012. Small Business Utilization percentage values for all subsequent eligible contracts represent the total dollar amount that was awarded to small businesses, divided by the total amount invoiced by the respective vendor, from the inception of small business utilization tracking to date.
  - The forecasted expenditures for recently awarded contracts are shown as fully expended. The amount will be adjusted, if warranted, by the contract manager.
  - Green text indicates new or changed items from last months report.
  - As of November 30, 2018, the Authority has 255 contracts and purchase orders.
  - Small business utilization was not captured for invoices prior to the establishment of the Small and Disadvantaged Business Enterprise Policy in August-2012. This affects 5 active contracts that were executed prior to August-2012: City of Fresno (2 contracts), Nossaman, PTG Pacheco Pass Corridor, and UPRR.
  - Total Small Business Utilization percentage includes all Small Businesses (SB), Disadvantaged Business Enterprises (DBE), Disabled Veteran Business Enterprises (DVBE) and Microbusinesses (MB) on Active Awarded Contracts beholden to the SB Program only. Design Build Contracts for CP 1, CP2-3 and CP 4 are based on dollars paid, all other contracts are based on dollars invoiced.
