## Project Interest

business opportunity for civil engineering work

Supplier of Transit Vehicles

I am interested in providing graphic design services for the California High Speed Rail.

To provide to this industry a distributor of high end industrial parts such as fasteners, hydraulics etc.

To learn more about the procurement/contracting opportunities to inform and educate our members and colleagues  
CACFP is San Gabriel valley based engineering, architecture, and construction contractor professionals association  
Santa Monica's Big Blue Bus is a major transit provider connecting the Westside to Union Station, site of a  
Professional representing contractors involved in HSR  
counsel for potential participant.

I represent contractors that will be working on this project.

I am interested in attending this forum to know the time line of this project being that the contractors that will

To obtain information regarding rail project for employment and business opportunities for clientele.

1) Raising equity and recruiting joint venture partners from the private sector f) Managing the joint venture

We would like to attend to be able to support Italian companies that might be interested in the project.

Hogan Lovells US LLP and Hogan Lovells International LLP have experience in infrastructure legal representation  
Being part of a consortium that will answer to the D&B RFP

Engineering support, program management, test and measurement instruments, transit cases, electronic communication  
Getting feedback from industry representatives and staying in tune to CHSRA activities so Kern COG can participate  
Bid for casting job.

I love the project and I have a really big crush on Jeff Barker...

We are a business trade association representing the latin small businesses.

Labor Compliance software- certified payroll reporting

The high speed rail may come through our community in Little Tokyo. Ergo, I would very much interested in  
Seeking engineering and project management opportunities with the California High Speed Rail Authority/FA  
Sub - Contracting

To learn more about the project and processes involved.

Seeking opportunity for a small, woman owned, minority business.

Subcontracting

Paragon is the Real Estate Program Manager for the CHSRA.

We provide quality management services during design and construction

Primestor Development provides real estate services such as land acquisition, rights of way, entitlements and

1) To gather information on California's implementation of high speed rail, in order to aid Quebec in its effort  
Assisting the Authority with its contracting process and program  
Interested in work as a sub-consultant  
public art integrated into the high speed rail network.

My interest is in seeking professional consulting opportunities.

work!!!

Contracting opportunities  
procurement

Tierra West Advisors is a MBE/DBE certified firm providing real estate services - acquisition and disposition  
I am very interested to participate in this project. I have been involved in the previous works until last December  
I am an independent journalist in California and a graduate student at UC Berkeley working on a story about

I'm a master's student researching high-speed rail, and I'd like to get a deeper understanding of the issues  
ULI has conducted an HSR Summit in 2010 and is interested in the advancement of HSR in Los Angeles.  
Meeting minutes transcription

constituents

ociation. CACP has great interest in the California High-Speed Rail program and its project work opportunit  
future HSR hub.

ill be bidding will be employing members of the Ironworkers Union through out the State of California.

process with big investors from start to finish g) Managing government affairs issues - with Washington, I

entation and would like the opportunity to learn more about the High-Speed Rail project and meet other att

contract manufacturing, etc.

provide local support and feedback

everything that may take place.

Project

and zoning approval, and real estate development services.

rts 2) to identify business opportunities that may be available for partnerships between Quebec and California.

1, real estate financial advisory, development structuring, outreach, project management and implementation member when I lost my job. Hopefully, I will be on the track soon again.  
but private sector interest in California's high-speed rail project.

.

ities in the state.

D.C. and localities

endeeds at the forum.

ria companies.
