### PURPOSE OF MEETING

- The California High-Speed Rail Authority (Authority) and the California Department of Transportation (Caltrans) will provide information on upcoming construction at McKinley Avenue, and the progress being made on the State Route 99 Realignment project in Fresno.
- Attendees will also receive information regarding design, right of way, and small business and employment opportunities for the Construction Package 1 (CP 1) segment.
- Staff will be available to answer questions related to project schedule and traffic management surrounding high-speed rail construction.

### ABOUT THE PROJECT

CP 1 is the first construction contract underway for the high-speed rail program and is being designed and constructed by Tutor-Perini/Zachry/Parsons. The CP 1 construction area is approximately a 32-mile stretch between Avenue 19 in Madera County to East American Avenue in Fresno County and includes the State Route 99 Realignment Project managed by Caltrans and their contractor Granite Construction.

With more than 119-miles of active construction in the Central Valley underway, initial passenger service is planned for high-speed rail between the Silicon Valley and Central Valley. Learn more at [www.buildhsr.com](http://www.buildhsr.com).
