

Palmdale to Los Angeles Project Section

Join Us At Community Open Houses

The California High-Speed Rail Authority (Authority) invites you to a community open house to hear about alignment alternatives for the 60-mile Palmdale to Los Angeles project section of California's high-speed rail program.

The Authority has been working with residents, stakeholders and regulatory agencies to refine the alignment alternatives for the project section. This is an opportunity to ask questions and provide comments about alignment alternatives that will be studied as part of the Draft Environmental Impact Report/Environmental Impact Statement (EIR/EIS).

Come anytime between 5:00 p.m. and 8:00 p.m. The information shared will be identical at each meeting. There will be an Authority presentation at 6:30 p.m.

Please Join Us: Community Open Houses
