PURPOSE OF MEETING

- Provide information about the high-speed rail project in Madera and Fresno counties, including design, right of way, as well as small business and employment opportunities.
- Receive feedback and answer questions related to construction activities, project schedule and traffic management surrounding high-speed rail construction.

ABOUT THE PROJECT

Construction Package 1 (CP 1) is the first construction contract underway for the California high-speed rail program. The CP 1 construction area is approximately a 32-mile stretch between Avenue 19 in Madera County to East American Avenue in Fresno County. It includes 20 grade separations, 3 viaducts, 1 trench and a major river crossing over the San Joaquin River. Construction is underway.
