PURPOSE OF MEETING

- Provide information about the high-speed rail project in Fresno, Kings and Tulare counties, including design, right of way, small business and employment opportunities.
- Receive feedback and answer questions related to construction activities, project schedule and traffic management surrounding high-speed rail construction.

ABOUT THE PROJECT

Construction Package 2-3 (CP 2-3) represents the continuation of construction on the California high-speed rail system south towards Kern County. CP 2-3 will extend in excess of 60 miles from the terminus of Construction Package 1 at East American Avenue in Fresno to approximately one mile north of the Tulare-Kern County line. CP 2-3 will include approximately 36 grade separations in the counties of Fresno, Tulare and Kings, including viaducts, underpasses and overpasses. CP 2-3 is located within the Fresno to Bakersfield project section.
