

Construction & Road Closure Alert

Issued on August 22, 2016

Demolition of Old Greyhound Station in Downtown Fresno

FRESNO, Calif. – The California High-Speed Rail Authority (Authority), in cooperation with design-build contractor, Tutor-Perini/Zachry/Parsons (TPZP), announces the demolition of the old Greyhound bus station at 1033 H Street in downtown Fresno to begin on Wednesday, August 24, 2016.

The old bus station is being demolished to make room for construction of Fresno's new high-speed rail station. The new Greyhound station was moved about half a mile east to the historic Santa Fe Depot at 2660 Tulare Street.

This work is part of Construction Package 1 (CP 1), the first 32-mile stretch of high-speed rail between Avenue 19 in Madera County to East American Avenue in Fresno County.

DEMOLITION: Demolition of the old Greyhound bus station at 1033 H Street is scheduled to begin August 24 at 7:00 a.m. and continue during weekdays for approximately two weeks.

CLOSURES: The right westbound lane on Tulare Street between Congo Alley and just west of the H Street intersection will be closed.

The right southbound lane and shoulder of H Street between Fresno and Tulare streets will be closed.

DETOUR: Drivers are requested to follow lane closure signage and may experience delays; pedestrian access will also be restricted.

This schedule is subject to change. For up-to-date information please visit <http://quickmap.dot.ca.gov> or <http://www.buildhsr.com/>. Traffic laws will be fully enforced and commuters are expected to be aware of the surrounding activities, remain alert and watch for construction vehicles and personnel. The public is asked to drive carefully and be extra cautious while traveling through the construction areas. The Authority appreciates the patience and cooperation from visitors, residents and businesses during this work.
