Subject: Uniform Report of Disadvantaged Business Enterprise Awards or Commitments and Payments Submission due December 1, 2018

Dear Mr. Gibson:

In compliance with the best practices of Title 49 of the Code of Federal Regulations Part 26, the California High-Speed Rail Authority (Authority) is pleased to submit its Uniform Report of Disadvantaged Business Enterprise Awards or Commitments and Payments for the reporting period of April 1, 2018 through September 30, 2018 to the Federal Railroad Administration (FRA).

Awards/Commitments Made During This Reporting Period

During the reporting period, the Authority awarded zero federally-assisted contracts that were applicable to the Authority's Small and Disadvantaged Business Enterprise Program (SB/DBE Program).

Payments on Ongoing Contracts

The Authority currently has over thirty active design-build or professional services contracts that have received federal funding and been reported on in past versions of this report. However, no federal funding was expended on these contracts during April 1, 2018 through September 30, 2018 reporting period. The grant agreement with FRA authorized by the 2009 American Recovery and Reinvestment Act, under which that funding was expended, expired as of September 30, 2017. The Authority continues to have access to federal funding under the grant agreement with FRA authorized by the Omnibus Appropriations Act of 2010, but did not begin drawing on this funding during the reporting period. As a result, no contracts are listed under "Payments on Ongoing Contracts" in section C of this report. Once the Authority begins to draw on this funding once again, utilization reporting on these ongoing contracts will resume.

Total Payments on Contracts Completed This Reporting Period

No applicable contracts were closed during the reporting period.

Please feel free to contact me at (559) 445-6764 or by email at jose.camarena@hsr.ca.gov should there be any questions regarding this report submission.

Sincerely,

Jose L. Camarena

NOTES

¹ Line Item 7: "Race Neutral Projection" inclusive of DBEs and "Overall Goal" is inclusive of DBEs, DVBEs and SBEs.

² Line Item 17 "Other" captures non-DBE Contract Award Values, specifically Certified (SBE) and Certified (DVBE) Primes and subcontractors.

³ No contracts are reported under Section C of this report because the Grant Agreement under the American Recovery and Reinvestment Act (ARRA) expired September 30, 2017 and the Authority has not yet begun drawing on the grant agreement under the 2009 Omnibus Appropriations Act. As a result no federal funding was expended to applicable contracts during this reporting period.

The values in this report reflect the best available data as of November 25, 2018. Utilization values may be subject to change should past invoices or payments be revised or if the SB/DBE/DVBE/MB crediting status of subcontractors changes.
