**Footnotes**

- Statewide employee bargaining contracts are negotiated with the Administration on a periodic basis. Changes to these agreements impact the Authority's budget and updates to the budget are reflected subsequently at the appropriate reporting time. In some instances, forecast can exceed budget due to timing but will ultimately be trued up once DOF approves the additional funding.
- In Nov-22, various Transfer of Budget Allotments (TBA's) were completed to accommodate position reclasses and operating expenditures. These budget shifts result in a net-zero impact to the overall Administrative Budget.
- In Jul-22, the Authority implemented an organizational change which involved the creation of the Risk Management Office. Risk Management was previously included in the Executive Office.
