

## **APPENDIX 3.1-B: LOS ANGELES TO ANAHEIM: FOOTPRINT MAPBOOK**

This appendix shows the project footprint and overlapping parcels for the following:

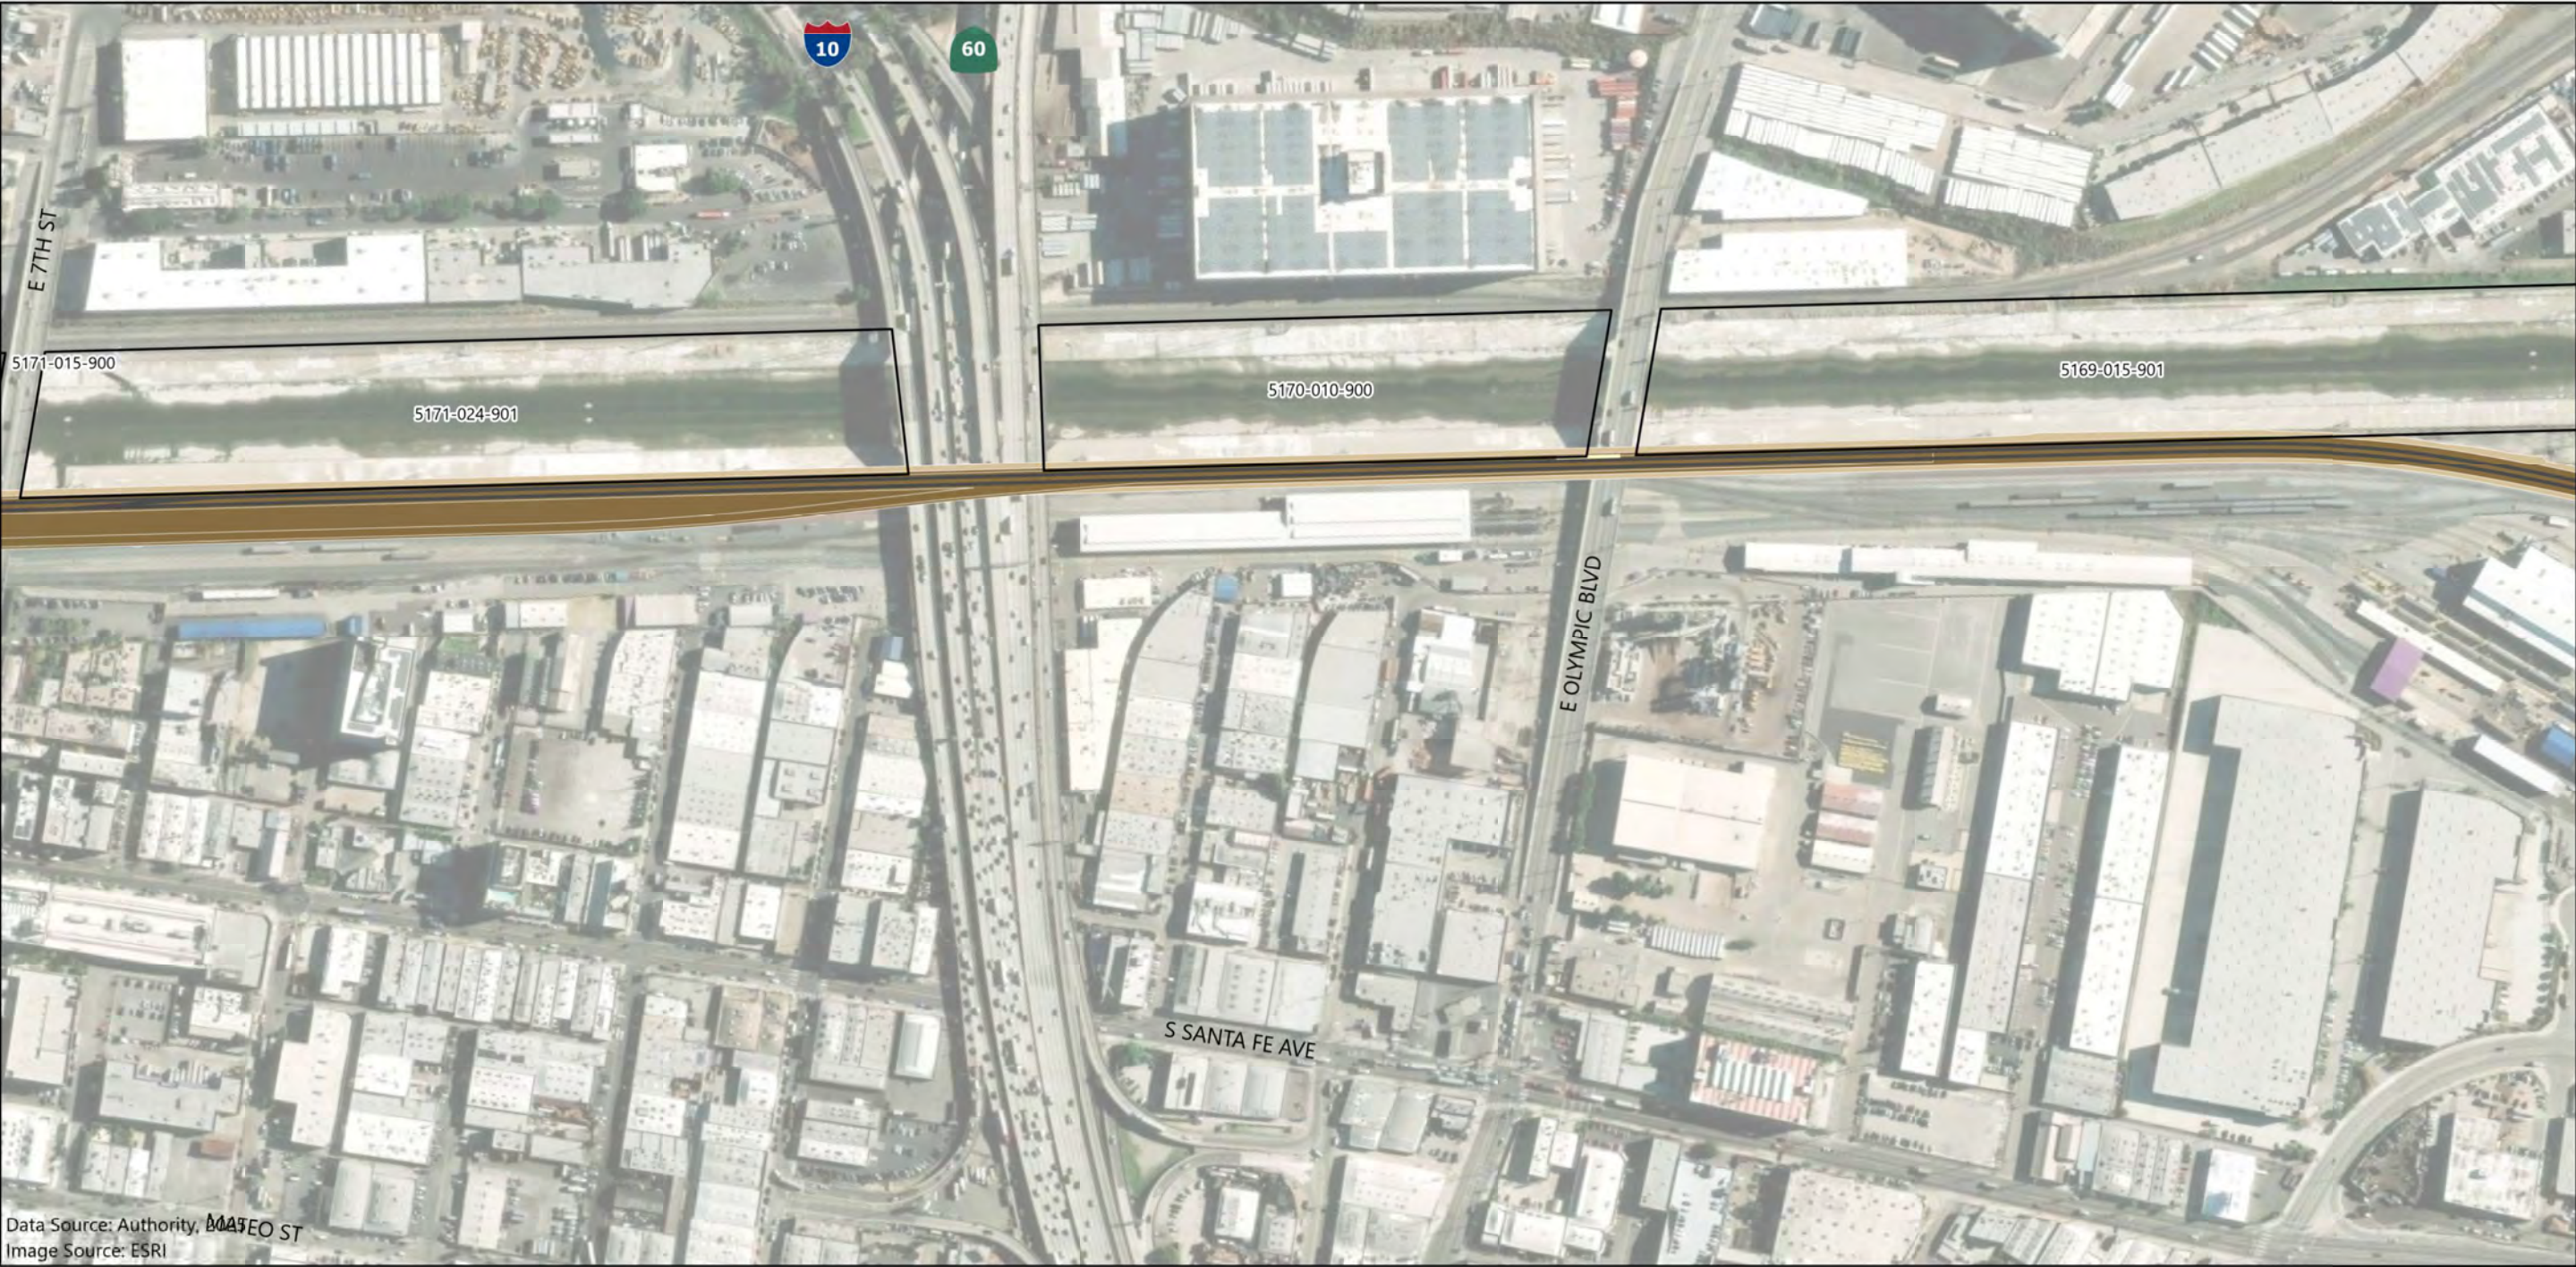

- Shared Passenger Track Alternative A;
- 15th Street light maintenance facility; and
- Station options.

Shared Passenger Track Alternative B shares the same footprint as Shared Passenger Track Alternative A, with the addition of the 15th Street light maintenance facility. The high-speed rail station options are applicable to both Shared Passenger Track Alternative A and Shared Passenger Track Alternative B.
