# Virtual Site Visit Information

The information contained in this presentation is intended for bidders on the California High-Speed Rail Multiple Award Task Order Contract (MATOC).

This presentation constitutes a virtual site visit and takes the place of a physical site visit/inspection.

This presentation has been made available for informational purposes only.

Nothing contained in this presentation modifies information contained in the RFP, plans or specifications, nor is it binding on the Authority.

Any questions must be submitted to the Authority in writing at:  
[ContractAdministration@hsr.ca.gov](mailto:ContractAdministration@hsr.ca.gov)

Only written responses to questions are binding to the Authority. Questions and answers will be posted to Cal eProcure.

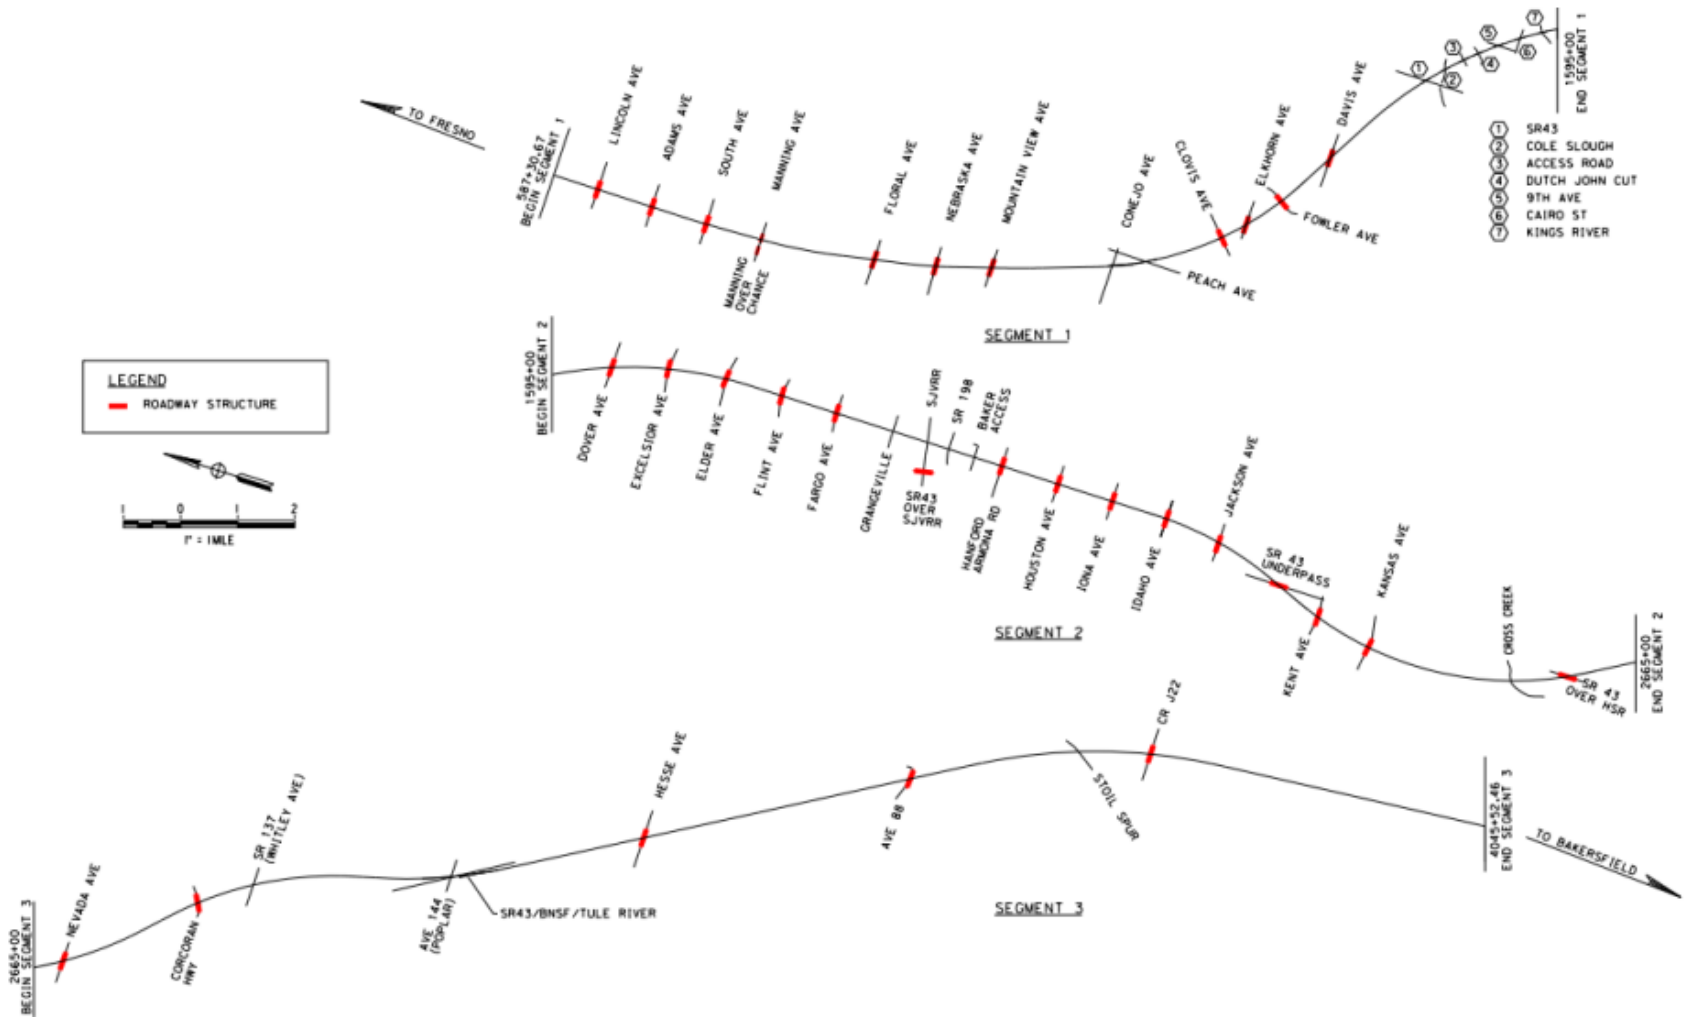

# Chain Link and Opaque Solid Railing

The Contractor shall provide the Authority with furnishing and installing chain link railing and fabric - Type 7 (MOD) and opaque solid railing and fabric at the locations listed in the Statement of Work.

This presentation shows video footage of three of the locations.

A detailed scope of work, plans, and drawings are located in the MATOC RFP.
