#### Notes

- As of [November 30, 2025](#), the California High-Speed Rail Authority (CHSRA) has a total of [334](#) contracts and purchase orders; [199](#) contracts and [135](#) purchase orders.
- Vendors may appear several times due to multiple contracts.
- This report includes data from the most recent invoices submitted to CHSRA, monthly or quarterly for active contracts. Actual expenditures reflect processed and paid invoices for active contracts.
- The following contract types are not counted towards the CHSRA's Small Business Program: Federal Agency Contracts, State Agency Contracts, Local Government Contracts, and Third Party Contracts. An "NA" (Not-Applicable) in the Small Business Utilization column denotes all contracts and PO's that do not count towards the Authority's Small Business Program.
- Total Small Business Utilization percentage includes all Small Businesses (SB), Disadvantaged Business Enterprises (DBE), Disabled Veteran Business Enterprises (DVBE) and Microbusinesses (MB) on Active Awarded Contracts beholden to the SB Program only. Design Build Contracts for CP 1, CP 2-3 and CP 4 are based on dollars paid, all other contracts are based on dollars invoiced.
- Small Business Utilization percentages are provided by the Small Business Branch for eligible contracts, data as of [October 31, 2025](#).

#### Footnotes

- 1 [Dark Orange](#) text and a superscript 1 indicates new or changed items from last month's report exist for this vendor/contractor.
- 2 Small business utilization was not captured for invoices prior to the establishment of the Small and Disadvantaged Business Enterprise Policy in August 2012. This affects one active contract that was executed prior to August 2012: UPRR.
- 3 Non Reporting Small Businesses (NRSB) are counted based on the full contract value and updated monthly based on the reported contract values in the Active Contract Report (ACR). Final payment totals will be updated upon contract end to reflect the full and accurate amount paid by the Authority.
- 4 The overall SBU total percentage is comprised of Small Business, Microbusiness, Disadvantage Business Enterprises, and Disabled Veteran Business Enterprises goals.
