

Resolution #HSRA 18-05

Hamner, Jewell & Associates (Beacon) Contract Amendment #2 (HSR 14-14 ROW 5)

Whereas, the California High-Speed Rail Authority (Authority) has entered into contracts with private and public entities for the design, construction and operation of high-speed rail trains including all tasks and segments thereof pursuant to California Public Utilities Code section 185036;

Whereas, property acquisition and right-of-way services are crucial to the construction of the California High-Speed Rail System; and,

Whereas, Hamner, Jewell & Associates, a division of Beacon (Beacon) is a high performing right-of-way service provider and needs additional funding to complete the services required for the acquisition of parcels necessary for construction.

Therefore it is resolved,

The Board authorizes the Chief Executive Officer, or his designee, to amend the Hamner, Jewell & Associates, a division of Beacon Integrated Professional Resources, Inc. (Beacon) contract in the amount of \$977,000, increasing the total amount of the Beacon contract to \$5,977,000.
