Cap and Trade Expenditures vs Cash Balance ${ }^{12}$

1 Data is reported on a cash basis as of 02/28/19.
2 Prop 1A bond sales are conducted twice a year by the State Treasurer's Office (STO) in the spring and fall.
3 Cap and Trade auctions occur quarterly and are subject to foreign exchange and state operations adjustments. Auction results initially reported can be subsequently adjusted for administrative calculations by DOF.
4 No bond sales for Prop 1A occurred in FY2012-13 or FY2013-14.
5 In December 2018 a repayment of $\$ 100 \mathrm{M}$ was provided to the Authority of the original $\$ 400 \mathrm{M}$ Cap and Trade loan. The remaining $\$ 300 \mathrm{M}$ loaned amount shall be repaid as necessary based on the financial needs of the High-Speed Rail project (Health and Safety Code 39719.1). Cap and Trade auctions are in February, May, August, and November. 6 PERS: Public Employees' Retirement System.
7 Beginning balance includes a \$450K Advance to Office Revolving Fund (ORF). Advance to ORF represents cash available for disbursement to facilitate efficient reimbursement of invoices. Upon replenishment of the full ORF balance, $\$ 450 \mathrm{~K}$ becomes accessible to Prop 1A Bond Fund appropriations for use.
8 Beginning balance includes a $\$ 10 \mathrm{M}$ Advance to ORF. The ORF represents cash available for disbursement to facilitate efficient reimbursement of invoices. Upon replenishment of the full ORF balance, $\$ 10 \mathrm{M}$ becomes accessible to Cap and Trade Fund appropriations for use.
9 FY2017-18 Prop 1A Bond proceeds include the following bond sales: Oct-17, \$300M; and Apr-18, \$500M.
10 FY2017-18 Cap and Trade funding includes the following auction proceeds: Aug-17, \$140.5M; Nov-17, \$215.7M; Feb-18, \$181.6M; and May-18, \$169.8M.
11 FY2018-19 Cap and Trade funding includes the following auction proceeds: Aug-18, \$169.9M; Nov-18, \$214.4M; Feb-19, \$213.4M (estimated).
12 Prop 1A utilization will increase as the Authority progresses towards full ARRA Grant State Match. This will cause the cash balance of Cap and Trade to fluctuate periodically.
13 The April 2019 Cash Management report reflects a \$268 cash adjustment from DOF for the Nov-18 Cap and Trade auction.
